- ARTICLE VII - AMENDMENT
 - This document may be amended by the members. Any change must be proposed at a regularly scheduled meeting and voted on at a later meeting, either a regularly scheduled meeting or a specially called meeting. All changes must be approved by a two thirds (2/3) majority vote of the members present at the meeting. This Constitution and By-Laws will become the rules of this organization when approved by a two thirds (2/3) majority vote of those present at the meeting in which the vote is taken. Such vote and approval will be recorded in the minutes of the meeting. The results of the vote and Constitution and Bylaws as amended will be published on the organization's website.

PROPOSED BYLAWS CHANGE

- 01-23-2018 – Proposed and read at the January 2018 ARCCC, Inc. General Meeting
- 02-19-2018 – Proposed Bylaws change emailed to ARCCC, Inc. Members with notification of membership vote requested
- 02-27-2018 – Displayed at the February 2018 ARCCC, Inc. General Meeting

PROPOSED BYLAWS CHANGE

- ARTICLE III – APPOINTMENTS AND COMMITTEES
 - Section 3.04
 - A standing VE Committee shall be formed to act as an interface between the VE Team and the ARCCC, Inc. The Volunteer Examiner Liaison (VEL) shall be the primary Co-Director (regardless of membership in the ARCCC, Inc.) of the VE Committee, with additional members / Co-Directors to be designated by the VEL (regardless of membership in the ARCCC, Inc.). This committee shall be in existence as long as VE sponsorship exists (i.e. the VE team is using an ARCCC, Inc. account). If the sponsorship is terminated, this committee may be eliminated / modified by a majority vote of BOD members present at a normally scheduled BOD meeting, or at the request of club members by a majority vote at any regularly scheduled club meeting.

PROPOSED BYLAWS UPDATE

- ARTICLE IV – VE SPONSORSHIP

- Section 4.01

- The Columbia County Volunteer Examiner (VE) Team will be sponsored by the ARCCC, Inc. for the purposes of promoting amateur radio licensing. As part of that sponsorship, the ARCCC Inc. will provide access to a checking account for use for VE related financial activities. The VE Team will be responsible for any fees, fines, or expenses associated with this account. The checking account may have debit card access, if so desired, but will have no overdraft protection or linkage to any other ARCCC, Inc. accounts. The ARCCC, Inc. Treasurer will maintain access to, and will monitor / report account status, but the account will be for the sole use and responsibility of the VE Team. The VE Team will be responsible for maintaining a sufficient balance to prevent any over drafts and will be responsible for reimbursing any fees associated with overdrafts, non-sufficient funds, or other fees/charges to the ARCCC, Inc.

PROPOSED BYLAWS CHANGE

- ARTICLE IV – VE SPONSORSHIP
 - Section 4.02
 - The Volunteer Examiner Liaison is accountable to the Volunteer Examiner Coordinator (VEC) and shall perform in accordance with the VEC in which they are accredited. The VE team will continue to function autonomously with regard to all scheduling / testing functions, and all activities that do not involve use of ARCCC, Inc. accounts.

PROPOSED BYLAWS CHANGE

- ARTICLE IV – VE SPONSORSHIP
 - Section 4.03
 - The ARCCC, Inc. Board of Directors / members are not accountable / responsible for the VE Team, their organization, or their actions. The ARCCC, Inc. Board of Directors may, however, request updates from the VE Committee on past, present, or future activities for the purposes of membership updates and outreach activities.

PROPOSED BYLAWS CHANGE

- ARTICLE IV – VE SPONSORSHIP

- Section 4.04

- The ARCCC, Inc. Treasurer may temporarily suspend account access at any time if he / she feels that account activity puts the ARCCC, Inc. at risk. If this is done, the matter will be brought before the ARCCC, Inc. BOD at the next regularly scheduled meeting for resolution. The ARCCC, Inc. Board of Directors, on a majority vote of BOD members present at any normally scheduled BOD meeting may suspend / remove access to the VE Team from the ARCCC, Inc. account. If this is done, the ARCCC, Inc. Treasurer will provide the balance of funds in the account used by the VE Team (less any fees owed) to the VEL as soon as practical. The payment of these funds may be delayed if necessary to resolve any overdraft or other fee related issues.

A man with a goatee and a camouflage baseball cap is smiling. He is wearing a green military-style jacket over a maroon plaid shirt. He holds a white HAM radio license in his right hand and a black walkie-talkie in his left hand. The license is for "JAMES E. JONES II" and "JAMES E. JONES". The background is a plain wall with a light switch and a piece of paper with the word "radio" and a circled "3" on it.
