ARCCC, INC. BOD ELECTIONS

Section 2.07 - Board of Directors Elections

- The Board of Directors will be elected every two years at the November meeting of the organization. Nominations will be offered at the October or other designated meeting by the Board and nominations will also be accepted from the floor. Nominees must confirm that they are willing to accept if they are present or in writing if they are not present. Nominees will be listed and the list distributed to Full Members via e-mail at least two weeks prior to the November meeting. Only Full Members in good standing and at least 18 years old may hold office in the organization. A term for a Board Member is defined as two years. A Board Member can serve in the same position for no more than 5 years. The nominating committee will be the Board, unless a nominating committee is established by the Board of Directors.

ARCCC, INC. ELECTIONS

- Nominations offered in October 2018
- Elections held in November 2018

ARCCC, INC. BOARD OF DIRECTORS ELECTIONS

- Slate of Candidates (No Opposition)
 - President – Dan Marshall, N1ADM

2018 JAMBOREE ON THE AIR

Presented To:

K4KNS
Amateur Radio Club of Columbia County, Inc.

Certificate of Appreciation

Introduced the science, technology, fun , and magic of amateur radio.

Facilitated Scout to Scout communication.

Completed JOTA location report documenting Scouting's worldwide fellowship.

National Radio Scouting Committee
Boy Scouts of America

UPDATE FROM PETE & CARMEN

- We worked the JOTA this weekend as K4KNS with Randall, Calib, Carmen and myself. I sent in a report to the K2BSA site and they sent a certificate. We had a blast. Here is a copy of the report:
- We set up stations on 40M and 2 meters. We had every scout talk to another ham radio operator on VHF, and then we demonstrated DX on HF. We worked several European stations and several stateside ham stations that were participating in JOTA. We worked K2BSA and spoke to several scouts there. We demonstrated an FT-8 station to spark interest in ham radio via computers. We then had small groups of scouts use HT's to talk to each other. We worked with 10 dens total and had scouts from age 5 to 11 years old. We worked in STEAM (science, technology, engineering, art, and math) principle in wherever we could and kept it at the scouts level. We were the hit of the day and many scouts showed a keen interest in the technology and operation of a ham radio station. We had four ham radio operators and three US Army Captains from a communication division from nearby Fort Gordon assist us. We spent all day Saturday working with the scouts. Of course working with the cub scouts we had a lot of parents that were equally impressed with ham radio. Some even asked about how to license, so we provided information and contact points. It was lots of fun for the scouts and for us.

Special thanks to the Furness
 Amateur Radio Society in
 England for hosting companion
 station GB9SL to honor Oliver
 Hardy's companion Stan Laurel!

Photography by Ruth Geitgey,
 Harlem Arts Council

Harlem, Georgia is the birthplace of Oliver Hardy,
 one half of the classic Hollywood team Laurel and
 Hardy that had audiences laughing from the 1920s
 to 1950s. Every October, Harlem, which is located
 20 miles west of Augusta, hosts the Oliver Hardy
 Festival, which attracts more than 30,000 visitors.
