The COVID-19 pandemic-modified [ARRL Field Day](https://www.arrl.org/field-day) rules from 2020 will continue this June with the addition of a power limit imposed on Class D (Home Stations) and Class E (Home Stations-Emergency Power) participants.

Class D stations may work *all other* Field Day stations, including other Class D stations, for points. This year, however, Class D and Class E stations will be limited to 150 W PEP output.

An aggregate club score will be published — just as it was done last year. The aggregate score will be a sum of all individual entries that attributed their score to that of a specific club.

REVIEW

- Review motions and assignments
- We would welcome your presentations and ideas for presentations. We can still have presentations while our meetings are online!
- What would you like to see for a presentation topic next month?
- Is there a motion to adjourn the meeting?

THANK YOU!!!
